Dispute: Claim of Employes:

1. That in violation of the current Agreement, the Burlington Northern Inc., arbitrarily denied, in part, the actual and necessary expenses incurred by Crew Lineman David A. Oss while away from his assigned headquarters.
2. That accordingly, the Burlington Northern Inc., be ordered to compensate Crew Lineman David A. Oss in the amount of \$613.50 which is the total amount of expenses denied him by the Carrier for the months of January, February and March, 1980.

Findings:

The Second Division of the Adjustment Board, upon the whole record and all the evidence finds that:

The carrier or carriers and the employe or employes involved in this dispute are respectively carrier and employes within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

Claimant David A. Oss is a Lineman employed by Carrier and headquartered at Billings, Montana. During January, February, and March 1980, Claimant and others of his crew headquartered at Billings were assigned to work in the area of Dickinson, North Dakota. Claimant moved his family to the Dickinson area while he was assigned there. Claimant was denied reimbursement for certain living expenses that he submitted during this period on the basis that he was living at home and did not actually incur the out-of-pocket expenses claimed. A claim was filed requesting that Carrier reimburse the Claimant for \$613.50, as representing the amount deducted by Carrier from his expense account for the months of January, February, and March 1980.

"RULE 6

(k) Where meals and lodging are not furnished by the railroad, or when the service requirements make the purchase of meals and lodging necessary while away from headquarters, employees will be paid actual necessary expenses."

This Board has carefully reviewed all of the material and cases submitted for consideration by both sides in this dispute and must conclude that the information submitted by the Claimant does not meet the requirements of a breakdown or analysis as to what his out-of-pocket expenses were or if the expenses claimed were necessary.

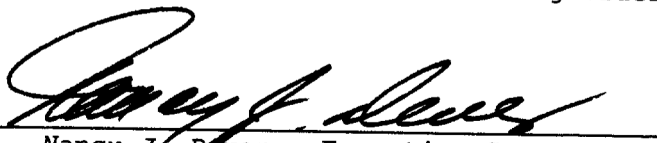

This Board will, based on its findings in other awards addressing similar subjects (Awards Nos. 5001 and 5002, among them) deny this claim.
