FINDINGS:

The Second Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier or carriers and the employe or employes involved in this dispute are respectively carrier and employes within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

The issue in this claim is the same as that which the Board addressed in Second Division Award 12371. We find here and for the same reasons as we did in Award 12371, that there is no basis for the claim.
