3. A. K. Reese—Machinist Apprentice

2. The Carrier be ordered to list such employes on the seniority roster for 1964 and thereafter.

FINDINGS: The Second Division of the Adjustment Board, upon the whole record and all the evidence, finds that:

The carrier or carriers and the employe or employes involved in this dispute are respectively carrier and employe within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

Petitioner complains that Carrier omitted the names of machinists, machinist helpers and machinist apprentices from the 1964 seniority roster for Cedartown and Columbus, Georgia. This is substantially the same issue that we considered in Award 5036, which also concerned the same agreement, contentions and circumstances. In line with our award in that case, we will not require Carrier to continue to post seniority rosters at locations such as Cedartown and Columbus where shop craft employes are no longer employed. Carrier will be directed, however, to furnish the Organization with an accurate up-to-date seniority roster listing all employes, who have not been removed from Carrier's service by resignation, death, retirement or rules of the Agreement.

AWARD

Claim disposed of in accordance with the Findings.
