Findings:

The Second Division of the Adjustment Board, upon the whole record and all the evidence, finds that:

The carrier or carriers and the employe or employes involved in this dispute are respectively carrier and employe within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute were given due notice of hearing thereon.

It is clear that the factual circumstance as presented involves a jurisdictional dispute between three organizations as to who is entitled to perform the work in question.

Rule 51 provides an inter-organizational vehicle to resolve such disputes before coming to this Board. Failure or refusal to proceed under Rule 51 preliminarily prevents this Board from assuming jurisdiction to consider the merits. Second Division Awards No. 6759, 6763 and 6864.
