Dispute: Claim of Employees:

1. That the South Buffalo Railway Company violated the controlling Agreement when they failed to observe seniority in awarding positions under the Agreement which allows carmen, car inspectors, and helpers to change assignments the first Wednesday of March and September.
2. That Carmen R. Burger, J. Bialecki, G. Dusch, and R. Prizel were denied their rights to positions they submitted bid on, and junior employees were awarded the positions by Award Bulletin No. 79-19.
3. That accordingly, the South Buffalo Railway Company be ordered to rescind the awards in Award Bulletin 79-19, and that Carmen Burger, Bialecki, Dusch, and Prizel be allowed to assume the positions they submitted bids on which were assigned to junior employees.

Statement:

The above question was submitted to the Second Division of the National Railroad Adjustment Board by the above referred to organization in ex parte form, hearing thereon was waived, and the Division is now in receipt of a request from the employees that the case be withdrawn.
