M., were issued, establishing two new positions of leverman on these tricks at "DAY," the carrier was obligated under provisions of Regulations 8-C-1, Part 2, of the current agreement, to fix the rate of pay at \$.8025 an hour (\$.9025 an hour effective December 1, 1941), instead of \$.7525 an hour which was established, and that all employees who have occupied these positions since their establishment be retroactively compensated accordingly.

FINDINGS: The Third Division of the Adjustment Board finds:
