AMERICAN TRAIN DISPATCHERS ASSOCIATION

CENTRAL OF GEORGIA RAILWAY COMPANY

STATEMENT OF CLAIM: Claim of the American Train Dispatchers Association that:

(a) The Central of Georgia Railway Company, hereinafter referred to as the "Carrier", failed and continues to fail to comply with the provisions of the currently effective Agreement between the parties, particularly Article 3 thereof when, by unilateral action, pursuant to Superintendent's Circular No. 53-215, File 103, dated September 28, 1953, it commenced, effective September 30, 1953, doubling the territory of the two first trick positions in its Macon, Georgia dispatching office on Saturdays and Sundays of each week for rest day relief purposes.

(b) The Carrier shall now pay to all train dispatchers adversely affected by the above cited violation of the Agreement rules, one day's pay at pro rata rate of trick train dispatchers for each day such violation continues commencing with April 18, 1956 and ending when said violation is corrected.

(c) A joint check of the Carrier's time rolls (pay rolls) shall be made by the Carrier and the General Chairman of the American Train Dispatchers Association to determine those entitled to the payments required by paragraph (b) of this claim.

FINDINGS: The Third Division of the Adjustment Board finds:

That the dispute was certified to the Third Division of the Adjustment Board ex parte by complainant party; and

That no hearing thereon has been held, and under dates of January 23 and January 28, 1957 both parties addressed a formal communication to the Secretary of the Third Division withdrawing this case, which request is hereby granted.
