

Award No. 8961
Docket No. TE-8894

NATIONAL RAILROAD ADJUSTMENT BOARD

THIRD DIVISION

PARTIES TO DISPUTE:

THE ORDER OF RAILROAD TELEGRAPHERS

THE PENNSYLVANIA RAILROAD COMPANY

STATEMENT OF CLAIM: Claim of the Order of Railroad Telegraphers on the Pennsylvania Railroad Company that when Switz City Block Station was changed from a 7 day position to a 5 day position effective June 12, 1954, the work was not abolished on the days this position was closed, but continues to be performed either by holding employees on overtime, or diverting the work to employees not covered by the Telegraphers' Agreement. Claim is made that this position be restored to a 7 day position and properly relieved as required by Rule 5-G-1. Time slips properly filed by M. C. Lawson under Rule 4-T-1 to be paid, and extra man available, or a regular man idle on those days be paid for not being used.

FINDINGS: The Third Division of the Adjustment Board finds:

That the dispute was certified to the Third Division of the Adjustment Board ex parte by the complainant party; and

That hearing thereon has been held and concluded. Under date of August 13, 1959, the parties jointly addressed a formal communication to the Secretary of the Third Division requesting withdrawal of this case from further consideration by the Division, which request is hereby granted.

AWARD

Claim dismissed.

NATIONAL RAILROAD ADJUSTMENT BOARD
By Order of **THIRD DIVISION**

ATTEST: F. P. Morse
Acting Secretary

Dated at Chicago, Illinois, this 15th day of September, 1959.
