OPINION OF BOARD: The parties and agreement are the same as in Award 11831. The issues are so similar that we feel the decision in such award should control herein. Accordingly, the claim will be denied.

FINDINGS: The Third Division of the Adjustment Board, upon the whole record and all the evidence, finds and holds:

That the parties waived oral hearing;

That the Carrier and the Employees involved in this dispute are respectively Carrier and Employees within the meaning of the Railway Labor Act, as approved June 21, 1934;

That this Division of the Adjustment Board has jurisdiction over the dispute involved herein; and

That Carrier did not violate the Agreement.
