L. S. Johnson is assigned to a position of Special Accountant in the Comptroller's Department. The position of Special Accountant is specified in Rule 1(c) (exempt positions) of the July 1, 1963 Clerks' Agreement. The position of Special Accountant is paid a monthly rate to cover all services rendered.

Prior to October 9, 1967, each of the thirteen employes employed in the Freight Revenue Accounting Department, hereinabove specified, performed the work of securing abstract runs, account books, white slips, accounts and the work of retaining, counting, and sorting of their own work. Not less than one hour per day was consumed by each such employe in performing this work.

Effective October 9, 1967, the work of securing abstract runs, account books, white slips, accounts and the work of retaining, counting, and sorting of their own work was removed from their positions and then consolidated into one position. Concurrent with the consolidation of this work into one position, L. S. Johnson was assigned to perform the work of securing abstract runs, account books, white slips, accounts and the work of retaining, counting and sorting the work performed by the thirteen employes hereinabove specified.

On October 18, 1967, claim was presented in behalf of the thirteen employes specified in the Statement of Claim for payment of one hour per day in addition to the compensation already paid on October 9, 1967 and each succeeding workday and holiday because of the removal of work assigned to the positions occupied by these employes and the assignment of such work to an employe occupying an exempt position under the July 1, 1963 Clerks' Agreement. This claim was not declined by the Carrier until December 26, 1967, or

Enclosed as Carrier's Exhibit A is all correspondence concerning the handling of this claim on the property.
