PARTIES TO DISPUTE: ( (Louisville and Nashville Railroad Company

STATEMENT OF CLAIM: Claim of the **Committee** of the Brotherhood (**GL-7356**) that:

(a) Carrier violated the current working agreement by dismissing **Mr. R. J. Kist** without just cause, and

(b) Carrier shall now reinstate Mr. **Kist** with full seniority and all rights unimpaired, and

(c) Carrier shall restore **Mr. Kist** to service, and

(d) Carrier shall compensate Mr. **Kist** one day's pay for each day lost beginning **June 1, 1972** and continuous until such time as **Claimant Kist** is restored to service.

OPINION OF BOARD: In its submission to the Board the Petitioner has raised several procedural issues which the record shows were not raised in the handling of the dispute on the property. It is so well settled as to require no citation that this Board, in adjudicating disputes, may not consider issues or defenses not raised by the parties in the handling of the dispute on the property.

Based **upon** the record of the dispute as handled on the property, the Board finds that none of **claimant's** substantive procedural rights were violated.

Without reciting the details leading up to claimant's dismissal from Carrier's service, the Board finds no justification for interfering with the discipline **imposed** by the Carrier. Suffice it to say that there was substantial **evidence** adduced at the investigation to prove the claimant guilty of conduct that cannot be condoned. The claim will be denied.
