PARTIES TO DISPUTE: (

(Southern Railway Company

STATEMENT OF CLAIM: Claim of the System **Committee** of the Brotherhood,
(GL-7533), that:

(a) Carrier violated the Agreement at Alexandria, Virginia,
when it dismissed Mr. W. C. Hancock from service; and

(b) Mr. Hancock shall be compensated at the rate of \$35.35
per day beginning September 21, 1972, and continuing through September
30, 1972, and at the rate of \$37.22 beginning October 1, 1972, and con-
tinuing through November 9, 1972.

OPINION OF BOARD: Claimant, a senior employee with many years of ser-
vice, and an unblemished record in disciplinary mat-
ters, was dismissed after an investigation into an unfortunate verbal
exchange with his supervisor. Carrier later rescinded the dismissal and
restored him to service. This claim seeks pay for all time lost.

The record does not support Claimant's desire for a complete
reversal of the discipline. it does, however, reflect that in his thirty
six years with Carrier Claimant has not been involved in any other dis-
ciplinary matter. Considering that fact, and all the facts and circum-
stances in the record, a thirty day (actual) suspension is the proper
measure of discipline in this case.

FINDINGS: The Third Division of the Adjustment Board, after giving the
parties to this dispute due notice of hearing thereon, and upon
the whole record and all the evidence, finds and holds:

That the Carrier and the Employees involved in this dispute are
respectively Carrier and **Employees** within the meaning of the Railway Labor
Act, as approved June 21, 1934;

That this Division of the **Adjustment** Board has jurisdiction over
the dispute involved herein; and

That the Claimant's **suspension** should be reduced to thirty days.
