STATEMENT OF CLAIM: Claim of the System **Committee** of the Brotherhood
(GL-7598) that:

1. carrier violated the **Agreement** between the parties when **it** arbitrarily, capriciously, and with abuse of discretion, dismissed Willie Favours, Dining Car Waiter, from its services effective April 11, 1973.

2. Carrier shall restore Willie Favours to service, clear his record of the charge, and compensate him for all wage loss suffered as a result less earnings from other employment, if any.

Carrier Docket: ASD-40571

OPINION OF BOARD: On April 11, 1973 **Claimant** Willie Favours **was** dismissed from service following an investigation on March 29, 1973 into charges that he had violated **Rules** 5A and **5G**, Section 1 **in** the Manual of Instructions and Procedures, Dining and Tavern Car Section. Mr. Favours had been in Carrier's service **some** thirty-two (32) years and had only one prior incident of discipline and that was apparently in 1958 for oversleeping.

Petitioner has advanced a number of procedural **arguments** regarding the conduct of the investigating officer. We have reviewed the record and find that albeit there was some bickering and confusion, the investigation was on the whole conducted in a fair manner and Claimant was deprived of no substantive right under the Agreement.

We find that there was substantial evidence to support the charges against Claimant. Discipline is warranted in such circumstances but in view of Claimant's lengthy service and relatively unblemished record we conclude that dismissal is unreasonably and excessively severe. In all of the circumstances we conclude that Claimant should be restored to service with seniority and other rights unimpaired but without pay for time lost while out of service.

FINDINGS: The Third Division of the Adjustment Board, after giving the parties to this dispute due notice of hearing thereon, and upon the whole **record** and all the evidence, finds and holds:

That the Carrier and the Employees involved in this dispute are respectively Carrier and **Employees** within the meaning of the **Railway** Labor Act, as approved June 21, 1934;

That this Division of the Adjustment Board has jurisdiction over the dispute involved herein; and

That **the** discipline imposed was unreasonably excessive.
