STATEMENT OF CLAIM: "Claim of the System Committee of the **Brotherhood** that:

(1) The dismissal of **Trackman** Eddie Lee Curry was without just or sufficient cause and wholly disproportionate to the offense with which charged **/System File C-4(13)-ELC/12-39(78-9) J/**.

(2) **Trackman** Curry's personal record shall be cleared of the charge **levelled** against him; he shall be returned to service with seniority and all other rights unimpaired; and, he shall be compensated for all wage loss suffered."

OPINION OF BOARD: Prior to his dismissal, claimant was employed as a **trackman**, and was assigned to Section Force 5512, headquartered at Eastover, South Carolina.

On Friday, September 30, 1977, claimant did not report for duty at his regularly scheduled time. He did not report for duty on October 3 through October 7, 1977.

Paragraphs (b) and (c) of Rule 17 of the applicable Agreement provide:

"(b) An employee desiring to be absent from service **must** obtain permission from his foreman or the proper officer. In case **an** employee is unavoidably kept from work, he must be able to furnish proof of his inability to notify his foreman or proper officer.

"(c) An employee off duty account of sickness or for **any other** good cause **must** notify his **foreman or** the proper officer as early as possible. In case of **sickness** or injury they will not be required to secure leave of absence to protect their seniority, but may be required to furnish proof of disability."

When claimant reported for duty on October 10, 1977, he stated that he was just "tired". He did not claim to have been sick, or that he had gone to a doctor. On October 7, 1977, he was notified:

"Account of your actions on Friday, September 30, and during the entire week of October 3 when you were absent from duty without permission and when, on **some** of those days, you failed to notify the railroad concerning your absence, you are hereby charged with violation of Rule 17, paragraphs (b) and **(c)** of the agreement between the Seaboard Coast Line Railroad Company and the Brotherhood of Maintenance of Way Employees. The applicable portions of the **rules** are quoted below:

"You **may** have representation if you so desire in accordance with the agreement under which you are employed and you may arrange to have present any witnesses who have knowledge of the matter.

"Your personal file will be reviewed at the hearing."

The investigation was conducted as scheduled, and on November 2, 1977 claimant was notified of his dismissal from service. A copy of the transcript of the investigation has been made a Part of the record.

The Board has carefully reviewed the transcript of the investigation and we find that none of claimant's substantive procedural rights was violated, There was substantial evidence adduced at the investigation in support of the charge against the claimant.

The record also shows that claimant had previously been disciplined on a progressive basis for similar offenses.

The claimant's actions in the present case, coupled with his prior record, justified the Carrier in imposing the discipline ~~that- it~~ did.

FINDINGS: The Third Division of the Adjustment Board, upon the whole record and all the evidence, finds and holds:

That the parties waived oral hearing;

That the Carrier and the **Employees** involved in this dispute are respectively Carrier and Employee within the meaning of the Railway Labor Act, as approved June 21, 1934;
