PARTIES TO DISPUTE: { (Brotherhood of Railroad Signalmen
(Consolidated Rail Corporation

STATEMENT OF CLAIM: 'Claim of the General Committee of the Brotherhood of Railroad Signalmen on Consolidated Rail Corporation.

The Carrier violated the Scope Rule of the current agreement when it allowed supervisory personnel to perform work reserved to Signalmen.

Carrier should be required to compensate Claimant D. W. Carey for sixteen hours at the Signalmen's rate."

[Carrier file No. SD-2039-C Eastern Case **En(B)SI-283**]

OPINION OF BOARD: The initial Claim handled on the property alleged that G. R. Vaughn, Assistant Signal Supervisor, between September 13, 1982 and September 17, 1982, made wiring changes to circuits for signal 225-1 to **accomodate** a relocation of that signal, in violation of the Scope Rule in the current working agreement which became effective September 1, 1981. Claim "as made on behalf of D. W. Carey, furloughed signalman, for sixteen hours pay at the Signalman's rate. The Claim "as denied and thereafter "as progressed up to and including the Senior Director Labor Relations, who denied the Claim by a letter dated May 12, 1983. The Claim is now properly before the Board.

Upon a careful consideration of the record in its entirety, the Board concludes that the record fails to reflect any facts which show that the subject work "as performed in the manner complained of during the period September 13, 1982 and September **17**, 1982, and the record also fails to reflect any instance thereafter of the subject work having been performed in the manner complained of on any date covered by the Submissions. The record is thus barren of the requisite evidence to support the Claim and the Claim must therefore be denied.

FINDINGS: The Third Division of the Adjustment Board, upon the whole record and all the evidence, finds and holds:

That the parties waived oral hearing;
