

(G. V. Graphia  
PARTIES TO DISPUTE: (  
(The Atchison, Topeka and Santa Fe Railway Company

STATEMENT OF CLAIM: "Claim of G. V. Graphia (#327) that:

(a) Carrier violated the provisions of the current Clerks' Agreement at Houston, Texas when it improperly attempted to establish PAD (Communication Coordinators) positions with the signing of the Memorandum of Agreement dated November 16, 1982, and

(b) Carrier violated clerical seniority rights by signing this Memorandum of Agreement, and

(c) Carrier shall abolish all PAD Communication Coordinator positions and **rebulletin** said positions as regular bid positions wherein seniority shall prevail, and

(d) Mr. G. V. Graphia shall now be compensated in an **amount** to be determined by this Honorable Board, and

(e) Mr. G. V. Graphia shall now be compensated interest and any other penalties and awards deemed proper by this Honorable Board."

FINDINGS:

The Third Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier **or** carriers and the **employee or** employees involved in this dispute are respectively carrier and employees within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

As Third Party in interest, the Brotherhood of Railway, Airline and Steamship Clerks were advised of the **pendency** of this dispute and filed a Submission with the Division.

The facts indicate that no conference was held **as** required by Rule 47-C and the Railway Labor Act. For the **reasons** set forth in Third **Divison** Award 26749, the Claim will be dismissed. Furthermore, even if the merits could be reached, we can find nothing in the applicable Agreement between the Carrier and BRAC which supports the Claimant's position that such Agreement was violated.
