FINDINGS:

The Third Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier or carriers and the employee or employees involved in this dispute are respectively carrier and employees within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

As Third Party in Interest, the Brotherhood Railway Carmen/Division of TCU was advised of the pendency of this dispute and filed a Submission.

On April 1, 3, 4, and 11, 1985, Carrier assigned Carmen to paint the walls and ceiling of the Electric Shop at the Shop facilities in North Fond du Lac, Wisconsin. The Organization contends that B&B employees should have been used to do the painting in the Shop. A Claim was filed that was denied by Carrier and has resulted in this case before the Board. The Organization also claimed that procedural violations existed in Carrier's handling, since someone other than the officer receiving the Claim responded to it.
