FINDINGS:

The Third Division of the Adjustment Board, upon the whole record and all the evidence, finds that:

The carrier or carriers and the employee or employees involved in these disputes are respectively carrier and employee within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the disputes involved herein.

Parties to said disputes waived right of appearance at hearing thereon.

The Board as a whole finds that the facts and issues presented in the aforementioned disputes are not distinguishable from those presented in companion Third Division Award 30302. In that Award we held that the Agreement had been violated, but with respect to the remedy concluded:

"...a monetary award based on this record would be purely speculative. Accordingly, the remedy is limited to a finding that the Agreement was violated and the Board directs the Carrier not to violate the Agreement in the future."

The instant claims are sustained to the same extent.

This Board, after consideration of the disputes identified above, hereby orders that awards favorable to the Claimant(s) be made. The Carrier is ordered to make the Awards effective on or before 30 days following the postmark date the Awards are transmitted to the parties.
