FINDINGS:

The Third Division of the Adjustment Board, upon the whole record and all the evidence, finds that:

The carrier or carriers and the employee or employees involved in this dispute are respectively carrier and employee within the meaning of the Railway Labor Act, as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute were given due notice of hearing thereon.

The claims in this matter seek compensation for travel time in connection with Claimants' attendance at a training program.

While the Rules cited by the Organization provide for reimbursement of expenses, there is no rule support for the Organization's position that time spent in travel to and from training sessions must be similarly compensated. The burden is on the Organization to demonstrate a violation of the Agreement. That burden has not been met. The claims must therefore be denied.

AWARD

Claim denied.

ORDER

This Board, after consideration of the dispute identified above, hereby orders that an award favorable to the Claimant(s) not be made.
