OPINION OF BOARD: The Organization protests the transfer of work from one seniority district to another.

The employees failed, on the property, to cite any specific rule of the Agreement as having been violated. This Board has recently decided in Awards 19857 and 19858 concerning the same parties. For the reasons stated in those Awards, the claim herein is dismissed.

As stated in Awards 19857 and 19858, inasmuch as this claim is disposed of on procedural grounds, no determination is made concerning other issues raised by the parties.

FINDINGS: The Third Division of the Adjustment Board, upon the whole record and all the evidence, finds and holds:

That the parties waived oral hearing;

That the Carrier and the Employees involved in this dispute are respectively Carrier and Employees within the meaning of the Railway Labor Act, as approved June 21, 1934;

That this Division of the Adjustment Board has jurisdiction over the dispute involved herein; and

That the claim be dismissed for reasons set forth in the Opinion.
