

PARTIES TO DISPUTE: (L. B. Day
(The Atchison, Topeka and Santa Fe Railway Company

STATEMENT OF CLAIM: "Claim of L. B. Day (#315) that:

(a) Carrier violated the provisions of the current Clerks' Agreement at Silsbee, Texas when it improperly abolished extra board position #6462 on January 2, 1986, and

(b) Carrier failed to properly maintain an adequate work force, and

(c) Mr. L. B. Day shall now be compensated \$3,800.00 plus \$100.00 for each day after January 2, 1986, and

(d) Mr. L. B. Day shall now be compensated interest and any other penalties and awards deemed proper by this Honorable Board."

FINDINGS:

The Third Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier or carriers and the employee or employees involved in this dispute are respectively carrier and employees within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

As Third Party in Interest, the Brotherhood of Railway, Airline and Steamship Clerks were advised of the pendency of this dispute and filed Submission with the Division.

The issues in the instant dispute are virtually identical to those involved in Third Division Award 26749. Here, as there, the facts show that no conference was held as required by the Railway Labor Act. Furthermore, even if the merits could be reached, we can find nothing in the applicable Agreement between the Carrier and BRAC which supports the Claimant's position that such Agreement was violated.
