FINDINGS:

The Third Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier or carriers and the employe or employes involved in this dispute are respectively carrier and employes within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

The Claimant was assessed a ten (10) day suspension after a finding by the Carrier that he had been excessively absent from the work place.

The evidence shows that the Carrier has met its burden of proof in matters such as this. Under the circumstances, and because the Claimant had been previously disciplined for excessive absenteeism, the ten (10) day suspension cannot be considered to be excessive.
