

(B. D. Huddleston  
PARTIES TO DISPUTE: (  
(The Atchison, Topeka and Santa Fe Railway Company

STATEMENT OF CLAIM: "Claim of B. D. Huddleston (520) that:

(a) Carrier violated the provisions of the current Clerks' Agreement at Gallup, New Mexico when it improperly abolished position 6094 on August 27, 1986, and

(b) Carrier failed to provide BRAC with a list of duties not abolished and a list of position numbers to which these duties were to be redistributed, and

(c) Claimant B. D. Huddleston shall now be compensated \$2,287.78 plus \$103.99 for each day after October 7, 1986, and

(d) Claimant B. D. Huddleston shall now be compensated interest payable at the prevailing prime rate and any other damages and awards deemed proper by this Honorable Board."

FINDINGS:

The Third Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier or carriers and the employee or employees involved in this dispute are respectively carrier and employees within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

As Third Party in interest, the Transportation Communications Union was advised of the pendency of this dispute and filed a Submission with the Division.

The facts indicate that no conference was held as required by Rule 47 of the Agreement and the Railway Labor Act. For the reasons set forth in Third Division Award 26749, the Claim must be dismissed.

Finally, even if the merits could be reached, we can find nothing in the applicable Agreement between the Carrier and the Organization which supports the Claimant's position that such Agreement was violated.
