STATEMENT OF CLAIM: "Claim of the System Committee of the Brotherhood that:

(1) The Agreement was violated when the Carrier improperly terminated the seniority of Trackman L. Chappell (System File NEC-BMWE-SD-1408).

(2) The claimant shall be reinstated with seniority and all other rights unimpaired."

FINDINGS:

The Third Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier or carriers and the employe or employees involved in this dispute are respectively carrier and employes within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

Claimant entered Carrier's service on July 5, 1983, and was employed as a Trackman.

On June 24, 1985, Claimant took a return-to-work physical and was found fit for duty on that date by Carrier's physician. In accordance with the applicable Rules of the Agreement, Rules 22 and 18, Claimant had ten days to make a displacement or file furlough papers. Claimant did neither and did not communicate with Carrier during this period of time. Carrier had no information about his intentions until August 22, 1985, when the District Chairman requested a conference.
