FINDINGS:

The Third Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier or carriers and the employe or employes involved in this dispute are respectively carrier and employes within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

The arguments and evidence submitted by the Organization in this Claim are identical to those dealt with in Third Division Award 29253. In that Award the Board sustained the Claim on the basis that Carrier failed to provide the Organization with the notice required under Article IV of the May 17, 1968 Agreement. However, the Board did not allow Claimant's compensation. That Award will be followed here.
