FINDINGS:

The Third Division of the Adjustment Board upon the whole record and all the evidence, finds that:

The carrier or carriers and the employe or employes involved in this dispute are respectively carrier and employes within the meaning of the Railway Labor Act as approved June 21, 1934.

This Division of the Adjustment Board has jurisdiction over the dispute involved herein.

Parties to said dispute waived right of appearance at hearing thereon.

Prior to his dismissal from Carrier's service, Claimant was assigned as a Track Foreman on a tie distribution gang. By letter of June 26, 1989, the Claimant was instructed to appear for a Hearing concerning charges of excessive absenteeism and falsification of the Foreman's Field Labor Information Report for his tour of duty on May 30, June 2, and June 15, 1989. A Hearing was scheduled on July 6, 1989, following which Claimant was dismissed from Carrier's service.

On or about the same date, a Hearing was held in connection with other charges leveled against Claimant. Following the Hearing in that matter, Claimant was discharged. In a subsequent decision, Third Division Award 29127, the Board upheld Carrier's dismissal of Claimant. Thus, in the absence of compelling evidence to the contrary, the Board finds the present claim to be moot.
