AWARD OF THE ARBITRATOR

This is the arbitration of the Brotherhood's grievance alleging that the calling procedures established by the Corporation effective July 1, 1990 violate the provisions governing bulletining and filling of positions under Article 12 of Collective Agreement No. 2. For the reasons related in CROA 2074, and with the same proviso in respect of the decision in CROA 2106, the Arbitrator is satisfied that the calling procedures do not violate the terms of the Collective Agreement, the application of which has been amended by the provisions of the Supplemental Agreement, the Special Agreement and the Memorandum of Agreement dated November 19, 1989.
