

SPECIAL BOARD OF ADJUSTMENT NO. 605

PARTIES) Brotherhood of Railroad Signalmen
TO) and
DISPUTE) The Atchison, Topeka and Santa Fe Railway

QUESTION
AT ISSUE:

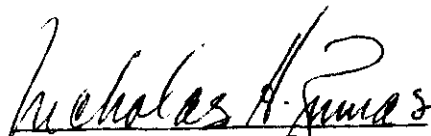

- (a) Did the Carrier violate the February 7, 1965 National Agreement and subsequent interpretations thereto when on or about June 20, 1966, it unilaterally transferred Illinois Division Gang No. 1 from the employees' home seniority district (Illinois Division) to the Colorado Division, a separate seniority district?
- (b) Should the members of Signal Gang No. 1 be paid for all time worked on the Colorado Division, at their respective rates of pay on a punitive basis -- such pay to be in addition to any other compensation to which they are entitled?
- (c) Should the members of Signal Gang No. 1 be paid for all hours they were not permitted to work on their home seniority district (the Illinois Division) at their respective rates of pay, account of the unilateral transfer?
- (d) Should the employees of Signal Gang No. 1 be reimbursed for all traveling time and living expenses incurred account of the unilateral transfer off their home seniority district? This to include all expenses outlined in General Chairman W. H. Lewis' July 5, 1966 letter to Acting General Manager W. R. Henry initiating the claim here involved.
