Mr. W.H. Stier:

Please refer to your copy of memorandum addressed to me by the Chief Engineer under date June 19, 1969, his file 21500-101-BD, advising that the claim of Gaston Large, Identification #64759, had been settled on appeal to the Special Board of Adjustment #605 and under its Award #92 he is to be reimbursed for earnings lost including holiday pay from May 1, 1967 until he was restored to service.

This man lost a total of 25 days of eight hours each, or a total of 200 hours, from May 1, 1967 to June 6, 1967, at which time he returned to work. Will you kindly arrange to payroll Gaston Large, Identification #64759, for 200 hours at \$2.5565 per hour, and advise the payroll period on which this payment will be shown in full settlement of this claim.

SPECIAL BOARD OF ADJUSTMENT NO. 605

PARTIES) Louisville & Nashville Railroad Company
TO THE) and
DISPUTE) Brotherhood of Maintenance of Way Employees

QUESTIONS
AT ISSUE:

- (1) Were the displacement rights of Gaston Large, an unprotected employee, nullified and ineffective because the junior employee whom he sought to displace (Arthur B. McKee) was a protected employee?
- (2) Should Claimant Gaston Large be reimbursed for the earnings lost, including holiday pay, from May 1, 1967 until he was restored to service?

OPINION

OF BOARD: As in Award No. 91 (Case No. MW-9-SE) Carrier's defense is that the junior protected employee had been given a "make work" position. The award is the same as in that case.

A W A R D

The answer to Question (1) is "No."
The answer to Question (2) is "Yes."
