QUESTION Does the attached Implementing Agreement fully comply
AT with the provisions of Article III of the February 7
ISSUE: Agreement? If not, in what respect should it be changed?

OPINION On its face, the proposed implementing agreement complies
OF BOARD: with Article III of the Mediation Agreement of February 7,
1965, in that it would not result in the crossing of craft
lines. There is no substantial evidence that its effect
upon the work force of protected employees would be in viola-
tion of Article I, Section 5, and Question and Answer Nos.
5 and 6 of the November 24, 1965 Interpretations thereof.

AWARD

The proposed implementing agreement of record here complies
with the provisions of Article III of the February 7, 1965 Mediation Agree-
ment.
