QUESTIONS

- AT ISSUE:
1. Did Carrier violate the Agreement when it abolished the position of Agent at Eldred, Pennsylvania and combined the work of said position with that of Supervisory Agent at Port Allegheny, Pennsylvania without first following the procedure set forth in Article III, Sections 1 and 2 or 3?
 2. If the answer to the above is in the affirmative, shall Carrier be required to negotiate an implementing agreement with the Organization to provide for the desired change, or, in the alternative, to restore each position to the status existing prior to the time Carrier abolished the position at Eldred and combined the work thereof with that of the Supervisory Agent at Port Allegheny?

OPINION

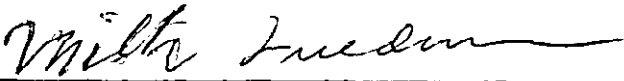

OF BOARD: On the property the claim which was progressed contended that Carrier effected a change in the duties of the Agent's position at Port Allegheny, sought negotiations to increase the rate of the position, and asked that a change be made in the position's job requirements. No claim had been introduced alleging a violation of the February 7 Agreement. The only reference to which the Organization points is a statement in Carrier's letter of July 26, 1967, concerning the Organization's "verbal contention that the February 7, 1965, Agreement, and its interpretations, required an agreement before the action here in dispute could be taken..."

AWARD NO. 284
Case No. TCU-40-E

This claim was progressed as a violation of the schedule agreement throughout, not as a violation of the February 7 Agreement. It belongs solely before the Third Division and not before this Committee at all, in the absence of a specific claim citing a specific violation of a specific provision of the February 7 Agreement. Claims concerning increases in rates of pay and/or changes in job duties are not within the province of the Disputes Committee. In view of the way the claim has been handled, no evidence has been adduced on the property to support the allegation that Carrier violated the February 7 Agreement.

A W A R D

The answer to Question No. 1 is No; there has been no violation of the February 7, 1965 Agreement.
