

PUBLIC LAW BOARD NO. 3514

Case No. 110 Award No. 109

PARTIES Brotherhood of Maintenance of Way Employees
to - and -
DISPUTE: Consolidated Rail Corporation

STATEMENT OF CLAIM: Appeal of I & R Foreman Robert Harbison
to have a reprimand removed from his record.

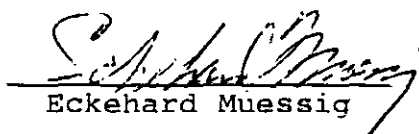

FINDINGS: On January 17, 1985, the Claimant was operating one
of the Carrier's trucks, and was involved in a collision with
a private automobile. Subsequent to an investigation concerning
this incident, the Carrier determined that the Claimant had not
properly complied with its rules and assessed the above-noted
discipline.

The Board has thoroughly reviewed the record before it and
while we are not unmindful and understand the Organization's
vigorous arguments, we conclude that the claim must fail. Under
all the circumstances, the conclusion drawn by the Carrier was
reasonable and not an excessive use of its discretion.

AWARD

The claim is denied.
