

PUBLIC LAW BOARD NO. 3514

Case No. 81      Award No. 90

PARTIES      Brotherhood of Maintenance of Way Employees  
to      -and-  
DISPUTE:      Consolidated Rail Corporation

STATEMENT OF CLAIM:

Appeal of Truck Driver Frank Chillingworth to have  
thirty (30) day suspension removed.

FINDINGS:    The Claimant, subsequent to an investigation, was found  
to have not reported an injury while on the Carrier's property.

Prompt reporting of injuries is a serious matter in the rail-  
road industry. The Board has examined the transcript of the hearing  
and finds substantial evidence that the Claimant was guilty of the  
charge as contended by the Carrier.

Under the circumstances herein, we do not find the Carrier's  
action to be arbitrary or capricious and the claim must fail.

AWARD

The claim is denied.
