Hearing Date: August 17, 2010

STATEMENT OF CLAIM: "Claim of the System Committee of the Brotherhood that:

1. The Level 5 discipline (permanent dismissal) imposed upon Foreman J. Geigenmiller for violation of General Code of Operating Rules (GCOR) Rule 1.6 (dishonesty) in connection with his alleged improper reporting of time while employed as foreman on Gang 9799 on June 18 and 19, 2009 is based on unproven charges, unjust, unwarranted and excessive (System File UP-222-WF-09/1521195D).
2. As a consequence of the violation outlined in Part (1) above, 'We are now requesting that the charges be dropped and that Mr. Geigenmiller have his personal record cleared of all charges. Also that he be reinstated with all back pay, seniority and vacation rights unimpaired and all other rights due to him by the collective bargaining agreement.' (Employees Exhibit 'A-3')."

FINDINGS:

Public Law Board No. 6402, upon the whole record and all the evidence, finds and holds that Employee and Carrier are employee and carrier within the meaning of the Railway Labor Act, as amended; and that the Board has jurisdiction over the dispute herein; and that the parties to the dispute were given due notice of the hearing thereon and did participate therein.

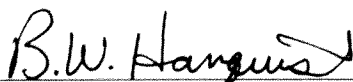

This was the second in a series of two cases involving the same Claimant. Shortly before the scheduled hearing of this case the parties settled the issue, therefore, the Board finds and holds that because the issue is now moot, the case is dismissed.

AWARD

Claim dismissed.
