

Award No. 47  
Case No. 57

STATEMENT  
OF CLAIM

"1. That the dismissal of Southern Division Trackman R. H. Wright from service after a formal investigation was unjust.

2. That Claimant Wright be reinstated to service with seniority, vacation, all other rights unimpaired, paid for wage loss and/or otherwise made whole."

Upon the whole record, after hearing, the Board finds that the parties herein are Carrier and Employees within the meaning of the Railway Labor Act, as amended, and that this Board is duly constituted under Public Law 89-456 and has jurisdiction of the parties and the subject matter.

From the record of the investigation, in this matter, there is no doubt b  
that Claimant was guilty of the charge. However, further careful  
examination reveals that there was apparently some misunderstanding  
between the Claimant and his Foreman concerning a medical absence for  
the period in question. There is no doubt but that the Claimant should

have secured a leave of absence for the period involved, but in view of the peculiar circumstances in this case, the Board believes that the discipline accorded him was harsh and unnecessarily severe. For that reason, Claimant will be reinstated to his former position with all rights unimpaired but without compensation for time lost.

AWARD

Claim sustained in part; Claimant will be reinstated to his former position with all rights unimpaired in view of the unnecessarily harsh and arbitrary discipline accorded him. He will not be paid for time lost.

ORDER

Carrier will comply with the Award herein within thirty days from the date hereof.
