ORGANIZATION'S STATEMENT OF THE CLAIM

1. That the Carrier violated the provisions of the current Agreement when it suspended System Tamper Operator Michael W. Stokes for thirty days actual. Said action being based on unproven charges is capricious and in abuse of discretion.
2. The Carrier shall now be required to reinstate Claimant to his former position with seniority and all other rights restored unimpaired with compensation for all wage loss suffered and his record be cleared of all charges.

Since Claimant had just been disciplined for a similar offense, a thirty-day suspension was an appropriate penalty for Claimant's failure to obtain proper authority for his absence from April 18 through April 21, 1989.
