

PUBLIC LAW BOARD NO. 3514

Case No. 611 Award No. 611

PARTIES Brotherhood of Maintenance of Way Employees
to - and -
DISPUTED Consolidated Rail Corporation

STATEMENT OF CLAIM:

Appeal of Plumber, M. L. Armstrong, to have
his discipline of dismissal set aside.

FINDINGS: The Claimant was found guilty of insubordination because
he failed to comply with a direct order of his Supervisor that he
was not to take a Carrier vehicle to his home.

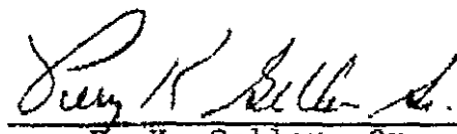

We find substantial evidence to support the Carrier's charges.
Given that the Claimant had been disciplined on previous occasions
for a similar offense and because proven insubordination is a dismiss-
ible offense, the Board has no basis to set this matter aside.

AWARD

The claim is denied.
