Carrier violated and continues to violate the Agreement between the parties hereto when on October 12, 20, 21, November 1, 2, December 17, 1954, and subsequent dates at Frosts, Ohio, it caused, required and permitted train service employees not covered by the Telegraphers' Agreement to handle (receive, copy and deliver) train orders, which work was and is reserved solely to employees covered by the Telegraphers' Agreement.
2. Carrier be required to permit a joint check of its records to determine the number of violations occurring at Frosts, Ohio, subsequent to the foregoing dates.
