BROTHERHOOD OF RAILWAY AND STEAMSHIP CLERKS,
FREIGHT HANDLERS, EXPRESS AND STATION EMPLOYES
versus
ILLINOIS CENTRAL RAILROAD COMPANY

STATEMENT OF CLAIM: Claim of the System Committee of the Brotherhood that the Carrier violated the terms of the current Agreement when:

1. On or about May 31, 1954, it abolished a janitor's position (No. 18) in the Mechanical Department at Waterloo, Iowa, which position was occupied by Willie Eggson holding seniority on Iowa Division Mechanical Department Seniority Roster No. 4, and concurrently therewith assigned the duties thereof to Carrie Walton, employed as a janitress, holding seniority on Iowa Division Transportation Department Seniority Roster, and
2. That the Carrier shall now be required to restore said janitor's position (No. 18) in the Mechanical Department at Waterloo, Iowa, and concurrently therewith place the former occupant thereof, Willie Eggson, on his former position as janitor in the Mechanical Department, and
3. That the Carrier be required to reimburse Willie Eggson for any and all wage losses sustained by him, retroactive to and inclusive of June 15, 1954, until the abolished janitor's position in question is restored and Mr. Eggson assigned to same, and
4. That Willie Eggson's cumulative rights with respect to his vacation privileges be fully restored, protected and credited to him to the same extent he would have enjoyed such vacation privileges had he been actively and steadily employed as he was prior to May 31, 1954, and
5. That the Carrier be required to pay Carrie Walton a day's pay (in addition to remuneration she has already received) for June 1, 1954, and for all subsequent days she was required to suspend work on her regular assignment as janitress in the Transportation Department and perform work in the Mechanical Department.

NOTE: Proper reparation due to be determined by joint check of Carrier's pay rolls, time book records, etc.
