

Case No. 9  
Award No. 24  
Docket No. TE-8382  
ORT File: 1820

SPECIAL BOARD OF ADJUSTMENT NO. 310

The Order of Railroad Telegraphers  
and  
The Pennsylvania Railroad Company

STATEMENT OF CLAIM: "Claim of the Order of Railroad Telegraphers that the Agreement was violated when General Foreman White, was called to perform Agent's service at Red Key, Indiana on May 19, 1953. Agent J. C. Snyder is entitled to be paid a call and overtime for any work performed by General Foreman White that should have been taken care of by the Agent having jurisdiction over Red Key, Indiana." (Columbus Division Case No. 105-A - System Docket No. 220)

FINDINGS: Despite Organization's claim to the contrary the Carrier states emphatically that the Claimant Agent has no jurisdiction over the Nickel Plate Wye at Red Key.

The only work accruing to the Claimant from the wreck on the New York Central, and the necessary moves resulting therefrom was performed by him the next day. This is admitted by the Organization.

AWARD:
