

AWARD NO. 113  
CASE NO. None  
(BU 8157-33)

SPECIAL BOARD OF ADJUSTMENT NO. 355

Parties: THE ORDER OF RAILROAD TELEGRAPHERS  
THE BALTIMORE AND OHIO RAILROAD COMPANY

AWARD IN DOCKET NO. 113

STATEMENT OF CLAIM:

1. Carrier violated the Agreement between the parties when on January 14, 1961 it required or permitted train service employes, not covered by the Agreement, to perform the work of the operators at Lester, Ohio while the operators were idle on rest days.
2. Carrier shall be required to compensate W. W. Knopp, G. Emerson and D. M. McCoy each in the amount of a day's pay (eight hours) on January 14, 1961.

FINDINGS:

Organization relies on our Award in Docket No. 45 where the position of the Organization was sustained. We disagree.

The work here involved is the throwing of ground switches. The same issue between this Organization and the Pennsylvania Railroad came before the Third Division, National Railroad Adjustment Board in Docket No. 8421. We will follow that Award.
