

CASE NO. 73
AWARD NO. 18
ORT FILE BU 5771-33

SPECIAL BOARD OF ADJUSTMENT NO. 355

Parties: THE ORDER OF RAILROAD TELEGRAPHERS
THE BALTIMORE AND OHIO RAILROAD COMPANY

STATEMENT
OF CLAIM:

1. Carrier violated the Agreement between the parties when it required or permitted a conductor on a work train engaged in maintenance service to receive and copy train order No. 71 at James, Indiana on May 9, 1957.

2. Carrier shall compensate an idle operator in the amount of a day's pay (8 hours) on this date.

FINDINGS:

This is another "station limits" claim.

So far as the factual record is concerned James, Indiana is .6 mile west of North Vernon.

Organization concedes North Vernon is a "station" insofar as Article 35 is concerned. Carrier states James is the name of a siding and it is definitely within the "station limits" of North Vernon, being .6 mile distant. Organization says it is not.

AWARD

Claim denied.
