

AWARD NO. 30

DOCKET NO. 30
GR.DIV.: 4145

SPECIAL BOARD OF ADJUSTMENT NO. 591

THE ORDER OF RAILROAD TELEGRAPHERS

VS.

READING COMPANY

NOV 29 1965

STATEMENT
OF CLAIM:

"Claim of the General Committee of The Order of Railroad Telegraphers on the Reading Company, that:

1. On April 12th (Friday), 1963 the Reading Company failed and/or refused to cover (fill) the first shift at West Trenton Station with an employee under the scope of our Agreement.
2. In consequence of the above violation the Reading Company is required to pay a day's pay, at the first shift Agent's hourly rate, to Extraman R. G. Shoemaker, or the senior, idle, Telegrapher."

FINDINGS: There is evidence that some of the agent's duties were performed by an employee outside the scope of the agreement while the agent-Telegrapher position was blanked on April 12, 1963, so the claim is valid.

AWARD: Claim sustained.
