Hearing Date - January 27, 1994
Date of Decision - February 10, 1994

Statement of Claim:

Claim on behalf of L. A. McGlone requesting that he be reinstated to service and paid for time lost, as a result of this dismissal from service following formal investigation held on May 14, 1993, in connection with his fraudulent or untimely reporting of an on duty injury.

[Carrier File: MW-FTW-93-27]

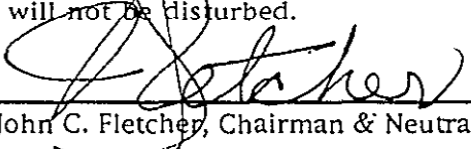

FINDINGS:

Special Board Adjustment No. 1048, upon the whole record and all of the evidence, finds and holds that the Employee(s) and Carrier(s) are employee and carrier within the meaning of the Railway Labor Act, as amended, and that the Board has jurisdiction over the dispute(s) herein and that the parties to the dispute(s) were given due notice of the hearing thereon and did participate therein.

AWARD

After thoroughly reviewing and considering the transcript and the parties presentations, the Board finds that the claim should be disposed of as follows:

At Claimant's investigation adequate evidence was developed to establish his guilt on the charges placed against him. Moreover, Claimant was involved in another matter involving fraud in preparation of payrolls, for which he was dismissed. That dismissal has been upheld in our Award No. 47. In the circumstances present, the discipline assessed in this matter will not be disturbed.
