Carrier violated the agreement between the parties hereto when on April 14, 1955, and subsequent dates, it caused, permitted and required employees of the Maintenance of Way forces not covered by the Telegraphers' Agreement, to handle (receive, copy and deliver) train line-ups for the use and information of employees repairing Bridge No. 141 at Pataskala, Ohio, which work was and is reserved solely to employees covered by the Telegraphers' Agreement.

2. Carrier be required to permit a joint check of its records to determine the number of violations occurring subsequent to April 14, 1955.

3. Carrier be required to compensate the senior idle telegrapher (extra in preference) for one day's pay (8 hours) on the day mentioned above, and all subsequent dates on which a joint check of records shows agreement to have been violated.
