

AWARD NO. 141
Docket No. 141

SPECIAL BOARD OF ADJUSTMENT NO. 279

BROTHERHOOD OF MAINTENANCE OF WAY EMPLOYEES
Versus
MISSOURI PACIFIC RAILROAD COMPANY

STATEMENT
OF CLAIM:

Claim of the Committee that:

1. Claim of Trackman C. R. Hill, System Rail Gang 6801, for reinstatement with seniority, pass and vacation rights unimpaired because Carrier allegedly improperly dismissed claimant for being absent without proper authority on June 5, 1978.

FINDINGS:

The evidence adduced at the investigation supports the charge of absence without authority by failure of claimant to report his absence as previously instructed, and claimant had only one year of service, so dismissal is not excessive discipline.

AWARD:

Claim denied.
