

Docket No. 198
AWARD NO. 198

SPECIAL BOARD OF ADJUSTMENT NO. 279

BROTHERHOOD OF MAINTENANCE OF WAY EMPLOYES
versus
MISSOURI PACIFIC RAILROAD COMPANY

STATEMENT

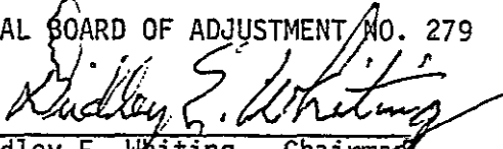

OF CLAIM: Claim of the System Committee that:

- "(1) Carrier violated the agreement on August 20, 1981, in dismissing Trackman R. L. Campbell, Central Division, for alleged insubordination to Foreman Dennis while working as trackman unloading a ballast train near Russellville, Arkansas.
- (2) Claimant shall now be returned to service with seniority and all other rights unimpaired and paid for all time lost beginning August 20, 1981."

FINDINGS: Evidence was adduced at the investigation to support the charge. The Carrier's acceptance of the supervisor's testimony and rejection of that of claimant is not unreasonable because the supervisor's testimony that he instructed claimant in the procedure for closing the doors is supported by the testimony of another trackman.

AWARD: Claim denied.
