

SPECIAL BOARD OF ADJUSTMENT NO. 279

BROTHERHOOD OF MAINTENANCE OF WAY EMPLOYEES

versus

MISSOURI PACIFIC RAILROAD COMPANY

STATEMENT

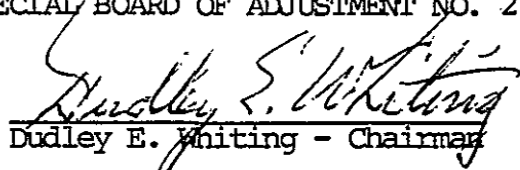

OF CLAIM: Claim of the System Committee that:

- "1) Carrier violated the agreement on July 2, 1982, when Work Equipment Mechanic P. J. Litchey was dismissed for allegedly leaving his assignment without authority and falsifying his time roll.
- 2) Claimant shall now be returned to service with all rights unimpaired and paid for all time lost beginning July 2, 1982."

FINDINGS: Evidence was adduced at the investigation to support the charge and the fact that claimant's testimony thereon differed from that of his supervisor does not vitiate the Carrier's decision of dismissal.

AWARD: Claim denied.
