

SPECIAL BOARD OF ADJUSTMENT NO. 279

Award No. 298

Case No. 298

Parties Brotherhood of Maintenance of Way Employees
to and
Dispute Union Pacific Railroad Company
 (Former Missouri Pacific Railroad Company)

Statement

of Claim: (1) Carrier violated the current working agreement, especially Agreement Rules 1, 2 and 11, account Bulletin Nos. 51, 52 and 53 dates March 3, 1986, on District Tie Gang 5860 did not list the machine numbers.

(2) Carrier also violated the above-quoted Rules as Bulletin Nos. 46, 47, 48, 49, 53 and 54 are Division jobs which have been bulletined in error to the District Tie Gang. Area jobs such as these (support gangs) should have been bulletined to the respective Division on which the District Tie Gang is performing.

(3) Therefore, we are requesting that these jobs be re-bulletined to the respective Division and that the machines be re-bulletined listing the machine numbers.

Findings: This Board has jurisdiction by reason of the Parties Agreement of January 5, 1959.

This is the fourth of the series of similar cases referred to our Board. Those cases were decided by our Awards Nos. 288, 294 and 297, the findings of which, by reference, are incorporated herein.

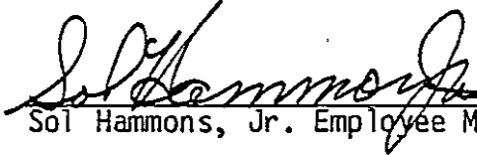

Case 298 refers to Bulletins 46, 47, 48, 49, 51, 52, 53 and 54 as being improperly bulletined to the Eastern District Tie Gangs on March 3, 1986.

Bulletins 51, 52 and 53 were for Machine Operators/Helpers on Eastern District Tie Gang 5860 because they did not include the machine number thereon. The Board decided that issue in Award Nos. 288, 294 and 297, the same is followed herein.

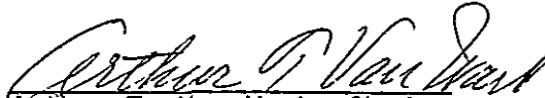

The other bulletins were alleged to have been in error as they went to the District Tie Gang and not to the Division. Our Awards 288 and 294 decided that issue and same is followed herein.

Award: Disposed of as per findings.

Order: Carrier is directed to make this Award effective within
