

SPECIAL BOARD OF ADJUSTMENT NO. 355

AWARD NO. 125  
CASE NO. 141  
BU-5839-33

Parties: THE ORDER OF RAILROAD TELEGRAPHERS  
THE BALTIMORE AND OHIO RAILROAD COMPANY

AWARD IN DOCKET NO. 125

STATEMENT  
OF CLAIM:

1. Carrier violated the Agreement between the parties when on May 13, 27, 28, June 3, 10, 13, 27, 30, 1958, it required or permitted the employees not covered by the Agreement to copy track car line-ups (Form 1089-D) at or near HK Tower, Pa.
2. Carrier shall compensate an idle operator in the amount of a day's pay (8 hours) on each of the dates set forth above.

FINDINGS:

Organization here predicates its claims on its assertion that the track car lineups were copied "at or near HK Tower."

However, Victoria is the site of a former station carried in the timetable as recently as April 25, 1937. The lineups having been copied at points east of Victoria, then, intervenes between HK Tower and the points at which the lineups were copied. It follows, then, that the points at which the lineups were copied do not lie within the station limits of HK Tower and a denial award is required.
